

Tumut Community Preschool

October 2023 Newsletter

Please talk to us if you are having any trouble using OWNA. We use this platform to communicate important things happening at Preschool and share what your child has been learning at Preschool.

Please ensure your child has a spare change of labelled clothes in their preschool bag. Children often enjoy getting dirty or wet during play.

As the weather warms up, children are more likely to be involved in water play having a spare set of clothes in their bag is a must.
